Toenail Examination in Dogs — Take it Seriously!

Last December, our Toby was leaving bloody prints in the snow while we were cross-country skiing. We looked at the foot and found a cracked toenail. We trimmed and bandaged it and he seemed to do well. Eventually the nail fell off. I've had toenails fall off after running races, so I thought he was just going through the same thing.

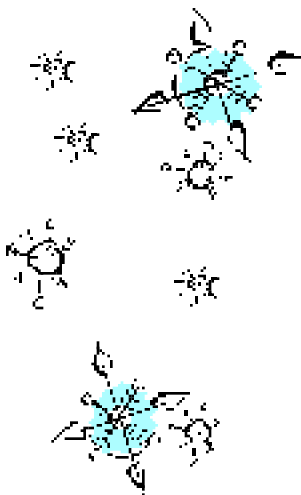

After a few weeks, I noticed a bit of a limp, again while skiing with us. I checked the nail, and found an ugly black scaly growth around the nail bud and an ugly red growth beside it. Toby was at the vet the next day. She took scrapings and fluid samples and x-rays and examined them for infection and cancer cells. She told me that toenail issues in dogs may mean malignant melanoma or squamous cell carcinoma, with very poor prognoses, but that she hoped it might be an infection only. Needless to say, this was frightening, especially after I looked up the diseases on the Internet and considered how long I had let it go without seeking medical attention. We treated the situation with strong antibiotics and Epsom salt soakings for a week.

At the end of this time nothing was conclusive and we all conferred with another vet and decided the only option that would give a definitive pathology report was to amputate the toe. We were also advised that infections this bad could also be almost impossible to treat and we might end up with amputation anyway. So Toby went through the amputation and after a week we were very relieved to get good news from CSU—no sign of any malignancy!!

Toby is recovering well and is back to skiing and all of his winter sports. He's allowed to roughhouse with his sidekick Tessa again. He loved coming to school (I teach 7th grade) with me during his recovery, but it's good to have life back to normal. We are so relieved that he is well! However, we learned a lesson: examine toenails regularly and take toenail irregularities seriously. I hope this helps to prevent a Berner or other dog tragedy for one of you!

Happy winter and good health to you!

Meeting Minutes - January 21, 2006

Board of Directors Meeting Minutes

January 21, 2006

The regular meeting of the BMDCR Board was called to order at 1:40 pm on January 21, 2006 in La Dolce Vita Italian Restaurant by Vice President Lou Tucker.

Present:

Gayle Brooks, Laura Haupenthal, Val Horney, Sara Karl, Sharon Keefer, Phil Shaffer, Nadja Torling, Lou Tucker and Elaine Witulski.

Absent:

None

New Board members Gayle Brooks and Nadja Torling were welcomed.

Approval of Minutes:

The minutes of the previous meeting were unanimously approved as published in the Jan/Feb 2006 newsletter.

Treasurer's Report:

Sara Karl reported that the club has positive balances in the checking and rescue accounts. The checking account balance is lower than usual and will decrease until June because of the transition to a fiscal year beginning in July instead of January. Membership dues are not due until June, though just this once they will be 1.5 times higher than the annual rate to cover January 2006 through June 2007. A membership dues form needs to be included in the next (March/April) newsletter, and the form needs to include a clear explanation of the 1.5-year transition.

Unfinished Business:

Rescue Policy:

Phil Shaffer reported that the Rescue Committee has not met yet to complete amendment of the forms and their submission to Val Horney.

AKC License:

The club's next step in the AKC licensing process for BMDCR is to hold a second match. This match will be held on April 22 in conjunction with the spring draft test. The location will be Dixon Park at Cherry Creek State Park in Aurora. Jeanne Stanwood is the draft test chairman; Lou Tucker is draft test secretary. Val Horney is the chairman for the match; Sara Karl is match secretary. Both premium lists will be published in February.

New Business:

Ideas for Increasing Meeting Attendance:

Val Horney's attendance at a recent a meeting of a new Bernese Mountain Dog Club in the Seattle area sparked a discussion of ways BMDCR might increase meeting attendance. Some ideas suggested were: consider moving meetings to Saturdays or evenings; more fun events in conjunction with meetings; allowing dogs at meetings; club get-togethers at dog-friendly parks; surveying members for suggestions. Nadja Torling is already working on a members survey.

National Specialty Profit Share:

Val Horney received a check for \$212.56 from BMDCA as BMDCR's profit share from the 2004 National Specialty. Val read the letter that accompanied the check.

Adjournment:

The Meeting was adjourned at 2:03 pm by Val Horney. The next Board meeting will be at 1:30 pm on March 26 at Laura's home unless otherwise published in the March/April newsletter.

Minutes submitted by Sharon Keefer.

General Meeting Minutes

January 21, 2006

The regular meeting of the BMDCR membership was called to order at 2:15 pm on January 21, 2006 in La Dolce Vita Italian Restaurant by Val Horney.

Present:

A quorum of 22 voting members, 4 sustaining members, 1 junior member, and 3 guests.

Approval of Minutes:

The minutes of the previous meeting were approved as published in the Jan/Feb 2006 newsletter.

Treasurer's Report:

Sara Karl reported that the club has positive balances in the checking and rescue accounts. The checking account balance is lower than usual and will decrease until June because of the transition to a fiscal year beginning in July instead of January. Membership dues are not due until June, though just this once they will be 1.5 times higher than the annual rate to cover January 2006 through June 2007. The membership dues form will be included in the next (March/April) newsletter.

Unfinished Business:

None

New Business:

National Specialty Profit Share:

Val Horney received a check for \$212.56 from BMDCA as BMDCR's profit share from the 2004 National Specialty. Additionally, \$900 from 2004 National Specialty profits was donated to the Canine Health Foundation.

Fundraising:

Val Horney presented one possibility for fundraising – a gourmet coffee/tea/hot chocolate sale.

Ideas for Increasing Meeting Attendance:

Val Horney described meetings she recently attended in the Seattle area with their new Bernese Mountain Dog Club. Their meetings included more activities and better attendance. Val encouraged BMDCR members to think outside the box for ideas to make BMDCR meetings more fun and better attended. Also, members can give feedback via the membership survey being drafted by Nadja Torling. Val also encouraged

members to encourage new members they sponsor to attend meetings.

Eye and Heartworm Clinic:

Nancy Fuselier reported that an eye CERF and heartworm testing clinic is scheduled for Saturday, March 18th. Nancy will provide a sign up sheet. There was discussion that March is a hard time for Dr. Hammond to hold this clinic, and since there are two eye clinics at the Rocky Mountain Cluster of shows in February, we may want to move future eye and heartworm clinics to a different time of year.

Spring Draft Test:

Dottie Schulte reported that donations are needed for Draft Test trophies. Also, some volunteer positions need to be filled. Contact Dottie to donate or volunteer. Dottie has brewed up some very special trophies – Berner Ale and BMD engraved steins.

Regional Specialty Trophies:

Sara Karl circulated a sign up sheet for sponsoring trophies at the 2006 Regional Specialty in September. The larger trophies will be stainless steel buckets and dishes labeled with a club logo

sticker and filled with goodies. Smaller trophies will be scented candles with BMD labels.

Trophy donation for 2006 National Specialty:

Lou Tucker asked if BMDCR is sponsoring a trophy this year. After discussion of using club funds to sponsor a trophy or place an advertisement in the catalog, a motion was made by Karen Baru to place an ad in the 2006 National Specialty catalog wishing all entrants good luck and announcing our 2006 Regional Specialty show. Motion seconded by Sara Karl. Motion passed.

Adjournment:

The Meeting was adjourned at 2:30 pm by Val Horney. The next general meeting will be at 2:00 pm on March 26 at Laura's home unless otherwise published in the next newsletter. Today's general meeting was followed by the Annual Awards Banquet organized by Karen Baru, Jeanne Stanwood, and Dottie Schulte. Following the banquet, the Show Committee met to discuss plans for the 2006 Regional Specialty.
